

## Procedure for submitting repairs

---

### 1. Within the manufacturer's warranty:

- Please fill out the enclosed RMA form completely and send it signed in PDF form or as a picture by e-mail to [info@cyrus-service.eu](mailto:info@cyrus-service.eu)
- after our processing you will receive a RMA number, which must be noted on the outside of the packaging of the device
- Please pack the device in the original packaging or equivalent and send it to us. The shipping address is noted below
- on request, a free pick-up of the device within a certain working day via DPD is possible (unfortunately no pick-up request time is possible).  
Alternatively, we can send you a DPD shipping label to hand over the package in the DPD store by e-mail
- after receiving and repairing the device we will be inform you by e-mail

---

### 2. Outside the manufacturer's warranty:

- please fill out the enclosed RMA form completely and enclose it signed with the device
- You will be informed about the repair costs after the device has been checked
- The costs for the inspection is 49 € plus return shipping if not repaired and will be charged when the repairs is carried out.
- Please pack the device in its original packaging or equivalent and send it to us. The shipping address is noted below
- after receiving and checking the device for damage, you will be informed by e-mail
- after completion of the repair, we will send you a repair invoice for payment in advance. The device will be shipped immediately after payment is received.
